Node: Part

1. $$creationDate$$ - The date when the Part node was created. (Example: "2021-10-05")

2. $$Name$$ - Name or identifier of the part. (Example: "70700-77353-041" or "SK2000FIT-HB8FTH-120")

3. part_description - Description of the part. (Example: "Bearing Staking Tool Set" or "Pressure Hose Assy 120 in.")

4. make_or_buy - Indicates if the part is made in-house or purchased. (Example: "PURCH" or "MFG")

Node: Company

1. $$creationDate$$ - The date when the Company node was created. (Example: "2019-01-10")

2. $$Name$$ - The name of the company. (Example: "HABCO")

Node: Shipment Provider

1.$$creationDate$$ - The date when the Shipment Provider node was created. (Example: "2023-04-08")

2.$$Name$$ - The name of the shipment provider. (Example: "CPPD,ALLN")

3.packing_slip - List of document numbers for the packing slips. (Example: "10940", "8466", "16589")

4.pack_line - Line items on the packing slip. (Example: "1", "2", "3", "4")

5.use_ots - Indicates if off-the-shelf packing is used. (Example: "No", "Yes")

6.pack_ots_state - State or condition of off-the-shelf packing. (Example: "OK", "AE" "MD", "OR", "90501")

Node: Sales Partner

1. $$creationDate$$ - The date when the Sales Partner node was created. (Example: "2023-01-15")

2. $$Name$$ - The name of the Sales Partner. (Example: "Shelby.Knights" or "Lindsay.Dumont")

Node: Quote

1. $$creationDate$$ - The date when the Quote node was created. (Example: "2024-01-15")

2. $$Name$$ - The identifier or name for the quote. (Example: "18167" or "10009")
